

Major

CeeLo Green

This bitch here got some nerve
Bih who you talking to this king shit
Bring back follies they sat on ya lap and help you dream shit
Fly that bih on spirit she don't like buy yo own shit
Got my weight up 2-3 cribs I own shit
Talking big bihdess flippin pies top off paid tithes
I'm in cheetah mashed potato loaded I can't do no fries
This shit major, she a 304 flip dat on yo pager
She gone suck me for no wager
Sent her home, sign dat waiver
Boy my patience is too for these hoes I'm thru
U wouldn't even trying give no pussy up I bought you some food
It's like you plotting on me baby and I thought you was true
You for the streets that's ok I just thought you was my boo
You can't play bih I peep shit, marbut rd g shit
Nun for the free ski, pay me in dem sheets bih
Trap out mon thursday we dummy on the weekend
Drip so hard this shit here like a leak

Bih this shit major, she a 304 flip dat on yo pager
When she put that pussy on me I go crazy
And I was talking big bidness
Flipping pies top off paid my tithes
Tryna spilt a quarter billi wit the guys
Bih this shit major

If the phone ain't ringing I don't sleep good
I gotta eat everyday, that's on g
The money look kinda funny bih I sleep good
I'm tryna make me a milli straight off the street
Bih this shit major

Man this shxt major too major
Major like a missing key got flavors
Keep haters, wonder why they envy me
I played her you saved her
Diamonds on my polo tee
New york sneaks, cameras when I pop out feel like polo g
Why you pop up unannounced, fastest way to get you blocked
Fastest way to get you curved, I swear that h*e playing with my top
How you niggas gone ride my wave you ain't even left the dock
8am and I'm making plays I be working round the clock
Big ol boss brand new mansion
That's a big ol costs, drip on nigga that's a big ol sauce
Vvs diamonds that's a big ol cross
Niggas ain't working they rather just talk
You ain't got drive so might as well walk
Quarter mill cash it fit right in my vault
Still having motion fuck nigga thought
What yeah yeah
What them hoes gone say when I jump out the lamb
Baby this a film get it on cam
Yeah she know that I'm having so she on my body
Know that I'm in here with Scotty

Bih this shit major, she a 304 flip dat on yo pager
When she put that pussy on me I go crazy

And I was talking big bidness
Flipping pies top off paid my tithes
Tryna spilt a quarter billi wit the guys
Bih this shit major

If the phone ain't ringing I don't sleep good
I gotta eat everyday, that's on g
The money look kinda funny bih I sleep good
I'm tryna make me a milli straight off the street
Bih this shit major

This shxt is major ask somebody
And all I do is keep it playa ask somebody
And I can serve it like a waiter ask somebody
And take some home save for later ask somebody!

Aye yo test my microphone is on
Find my zone go on & on
G is in my chromosome gone and give tyrone the phone
Holla when your home alone
I'm on the patron come on, strong I make you moan and groan
And play that macaroni song
Baby you been gone too long
You used to set the tone you wrong
Before another stone is thrown private flights I've flown to Rome
Mortgage loans from home to home
But also put chrome on the bone, streaming rights from song to song
No joking I'm too grown to Joan!

What them hoes gone say when I jump out the lamb
Baby this a film get it on cam
Yeah she know that I'm having so she on my body
Know that I'm in here with scotty

Bih this shit major, she a 304 flip dat on yo pager
When she put that pussy on me I go crazy
And I was talking big bidness
Flipping pies top off paid my tithes
Tryna spilt a quarter billi wit the guys
Bih this shit major
