CeeLo Green

You know, I've been wanting to hear  
Them tambourines, triangles, cowbells, all that shi-!

Does anybody up in here remember (what?)  
How good music is supposed to make you feel?  
Lift your spirit up high  
Just enough to get by  
And everything that they was talking about was real  
(Uh)

Well I'm a big, black, bad motherfucker  
And I can handle it, put the weight on me  
I said come up to the front  
I got everything you want  
You better get up of your ass and come and see...

I'm serious  
They don't make 'em like me no more  
I'm serious (Are you serious?)  
They don't make 'em like me no more

And hear all the sexy people scream my name

'Cause everything's alright  
Shake your body, girl, don't show no shame
