

Thinking Out Loud

CeeLo Green

I miss you, miss you
Though you haven't gone away
I miss you
Begging, pleading, praying
That I get the chance to kiss you

Guess I'm rambling and thinking out loud all alone
Can't imagine living this life on my own

I'm sorry, sorry
Tell me what I have to do and I'll do it
Mercy, lover, let me make it up to you
I will prove it

Guess I'm rambling and thinking out loud all alone
Can't imagine living this life on my own
On my own

I miss you, miss you
Though you haven't gone away
I still miss you
Begging, pleading, praying
That I get the chance to kiss you

Guess I'm rambling and thinking out loud all alone
Can't imagine living this life on my own
Guess I'm rambling and thinking out loud

I'm sorry, please forgive me
That's my greatest fear, darling
I love you too much
Love you way too much
Please...
Don't ever leave me, baby
Guess I'm rambling and thinking out loud
Oh yes, I am
Going crazy...
Crazy about you, woman
