

Traffic Jam

CeeLo Green

Woo-woo!

Hey

Hmm

Every time you turn around
Somebody want ya
And I bet you got a little attitude about it
Now, don't you?

You see, but I
I'm not afraid of you, woman
I said I
I can handle you, woman
Baby, don't you know!

I, I love you!
I love you like a motherfucker!
I, I want you!
I want you like a motherfucker!
I, I need you!
Ooh, need you like a motherfucker!
I love you!
Ooh

Hey, yeah
(Ooh-Ooh)
(Well, well, well...)

Now, sweetheart, you look a whole lot stronger when you're smiling
And you must have seen something you like
For you to make you break your stride
You look good in your red ballers
But they ain't made for walking (Ooh...)
And I'm not offering you a ride
Actually I want you to drive (Ooh, ye)

You see, 'cause I
I'm not afraid of you, woman
I know
I can handle you, woman
That's why you need to know!

I, I want you
I want you like a motherfucker!
And I, I love you!
I love you like a motherfucker!
And I, I need you!
I need you like a motherfucker!
And I, I think I love you!
Ooh

Too-too
Beep-beep, baby
Sure is looking sweetest lady
Slow down, turn around
Take a moment, beep me, baby
Hot damn, baby

A traffic jam, baby
How bad? I promise, just a little, baby

Eeny, meeny, miny, moe (Yeah)
There's so many that I don't know (Yeah)
I just wanna have some fun
Let me know that you're the one
Come on baby, and talk to me (Yeah)
And in my life, that's where you ought to be (Yeah)
'Cause I want you (uh)
And I need you (aah)
Ha, to love me
