

Gole Goldun

Celeste Buckingham

Gole goldoone man shekaste dar bad
To bia ta delam nakarde faryad
Gole shab boo dige shab, boo nemide
Ki gole shab boo ro az shakhe chide

Goosheye asemoon, pore rangin kamoone
Man mese tariki, to mesle mahtab
Age bad az sare zolfe to nagzare
Man miram gom misham too jangale khab

Gole goldoone man, mahe eyvoone man
Az to tanha shodam cho mahi az ab
Gole har arezoo, rafte az rang o boo
Man shodam roodkhoone, delam ye mordab

Asemoon abi mishe, ama gole khorshid
Roo shakhe haye bid delesh migire
Dare mahtabi mishe, ama gole mahtab
Az berkehaye khab alale mire

To ke dast takoon midi, be setare joon midi
Mishkofe gole az gole bad
Vaghti cheshmat ham miad, do setare kam miad
Misooze shaghayegh az dagh

Gole goldoone man, mahe eyvoone man
Az to tanha shodam cho mahi az ab
Gole har arezoo, rafte az rang o boo
Man shodam roodkhoone, delam ye mordab
