...you're not good,
...so much better

oh, oh

I'm alone on my own

...

maybe what standing between us
Should know...
but it get do much harder

oh, oh

So love me, like I'm the only one,
touch me, like I'm the only one,
kiss me (oh), like I'm the only one,
love me, like I'm the only one.

oh, oh, oh, oh, like I'm the only one.
oh, oh, oh, oh, like I'm the only one.

Love me, like I'm the only one,
touch me, like I'm the only one,
kiss me (oh), like I'm the only one,
love me, like I'm the only one.

(oh I know your mind
so let me live
oh love me live
like I'm the only one,
no, I know your mind)

So love me, like I'm the only one,
touch me, like I'm the only one,
kiss me (oh), like I'm the only one,
love me, like I'm the only one.

oh, oh, oh, oh, like I'm the only one.
oh, oh, oh, oh, like I'm the only one.

Love me, like I'm the only one,
touch me, like I'm the only one,
