

Chocolate

Celeste

Creatures of the night
Red moon in my eye
Candle flickers
As we're drowned in liquor
Now I won't be so bold
Next time you're involved

You keep me holding on
You keep me holding on

It's two steps to my door
So why you're taking for?
You keep me holding on
Hey chocolate

Sunrise, never mind
Smoke filled room blur my eyes
You fucked me and I felt it
[?], never meant it
Whispers to my ear
More words and I'm yours, I swear

You keep me holding on
You keep me holding on

It's two steps to my door
So what are you waiting for?
You keep me holding on
Hey chocolate
Hey chocolate
Hey chocolate
Hey chocolate
Hey chocolate
