

# Coco Blood

Celeste

Still cold  
I'm up late but these nights don't faze me  
These red lights, top back, I'm leanin'  
No sleep, don't touch me while I'm schemin'  
Feel me

I don't wanna wait for love  
Every time I do  
I don't wanna wait for love  
Waitin' on him

Are you warm enough?  
Coco blood  
Are you warm enough?  
Coco blood

See me wait for the morning to settle  
Tried to let God meet my good side  
In a pink slip, with my rings on  
When the birds sing, with a good guy  
I'm on time  
I'm a new colour (New colour), new money  
Miss my dad, but I'm not mad  
I'm cocoa butter, old man in a new Jag'  
When I die, this coco blood is skin tight  
When I die

I don't wanna wait for love  
Every time I do  
I don't wanna wait for love  
Waitin' on him

Are you warm enough?  
Coco blood  
Are you warm enough?  
Coco blood

My coco, coco blood  
My coco, coco blood  
My coco, coco blood  
My coco, coco blood

When I'm dumbfounded  
When I'm his instead  
When I'm down, down  
Oh, you give me runaround  
Picture me somehow

Are you warm enough?  
Coco blood  
Are you warm enough?  
Coco blood

My coco, coco blood  
My coco, coco blood  
My coco, coco blood  
My coco, coco blood
