Killer

Celina Sharma

Your love is a potion, mmh
Who gave you permission to dive in my ocean? Yeah
Did I invite you over?
'Cause the grip that you got on my heart got me frozen
Got me frozen

I've been fighting for my life since I met you boy
Walking down a line just to keep you boy
I would lose my mind if I lost you boy
I've been fighting for my life since I met you boy
Walking down a line just to keep you boy
I would lose my mind if I lost you boy

Oh your love is a killer
Oh your love is a killer
Why don't you let me go?
Why don't you let me go? No no no
Boy your love is a killer
Oh your love is a killer
Why don't you let me go?
Why don't you let me go? No no no

Can't make up my mind sometimes
Got me on fire to fight
If you wanna be mine, green light
Can we turn this night to a lifetime?
More wine in the night
Vibes, you give me life sometimes
If you wanna be mine, green light
Can we turn this night to a lifetime?

I've been fighting for my life since I met you boy
Walking down a line just to keep you boy
I would lose my mind if I lost you boy

Oh your love is a killer
Oh your love is a killer
Why don't you let me go?
Why don't you let me go? No no no
Boy your love is a killer
Oh your love is a killer
Why don't you let me go?
Why don't you let me go? No no no

Why don't you let me?
Why don't you let me go? Yeah
Why don't you let me go?
Why don't you, why don't you
Why don't you let me go? No no
No no no, ah

Why don't you let me go?

Oh your love is a killer
Oh your love is a killer
Why don't you let me go?
Why don't you let me go? No no no

Boy your love is a killer
Oh your love is a killer
Why don't you let me go?
Why don't you let me go? No no no
