

# Lights Down

Celina Sharma

Celina Stonebwoy, oh, on god again  
Da-da-da-da-do-da-do

So satisfying  
You got the wave  
I keep the pace  
We in alignment  
I like your ways  
The things you say  
You be the nicest  
Timing is priceless  
You broke the silence  
I've been reminded, oh-eh

You love when I move like that  
It puts you in a mood like that  
Go baby, baby go, diddi-dum-dum  
Pull up, pull up, go diddi-dum-dum  
Your love when I move like that  
It puts you in a mood like that  
Go baby, baby go, diddi-dum-dum, oh, oh, oh

Meet me when the lights go down  
That's when it all goes down  
You'll find on me on my side of town  
So meet me when the lights go down  
Meet me when the lights go down  
That's when it all goes down  
I love it when you come around  
So meet me when the lights go down

Meet me when the light goes down, girl  
I'm gonna hold you down  
I put you in the mood  
I make you feel so good  
Baby girl  
Take it off  
Don't be shy  
We a go turn up, turn up tonight  
My Celina  
Take it easy with the style  
Because you a go ride pon the wild crocodile  
I'm gonna be your sensualist  
Oh baby, baby  
I love it when you move like that  
Tightly  
I go hold you, girl, and do you so bad naturally  
It be the way your body bad  
It be dey make me mad  
Slowly  
I love the way you move  
Back it up one more time

You love when I move like that  
It puts you in a mood like that  
Go baby, baby go, diddi-dum-dum  
Pull up, pull up, go diddi-dum-dum

Your love when I move like that  
It puts you in a mood like that  
Go baby, baby go, diddi-dum-dum, oh, oh, oh

Meet me when the lights go down  
That's when it all goes down  
You'll find on me on my side of town  
So meet me when the lights go down  
Meet me when the lights go down  
That's when it all goes down  
I love it when you come around  
So meet me when the lights go down

So meet me when the lights go down  
We can play around  
And if I put it on you  
You gonna make the sound like  
Go baby, baby  
Go baby, down, down  
Pull up, pull up  
Let me give you nine rounds  
You know how it goes  
I'ma take control  
With your face in a cat  
Like a dog to a bone  
Tonight you get a private show  
This robe, take it off for me real, real slow  
We can go in tonight  
No time for dinner, I  
Answer the door in my Christian Dior with wine  
Lifestyle real, real loud  
This robe, take it off for me

Meet me when the lights go down  
That's when it all goes down  
You'll find on me on my side of town  
So meet me when the lights go down  
Meet me when the lights go down  
That's when it all goes down  
I love it when you come around  
So meet me when the lights go down
