Call the Man

Celine Dion

Close the door Shut the world away All the fights gone from this wounded heart Across the floor Dreams and shadows play Like wind blown refugees Call the man Who deals in love beyond repair He can heal the world Of hearts in need of care Shine a light ahead When the next step is unclear Call the man Hes needed here I close my eyes I remember when Your sweet love filled this empty room The tears I cry Wont bring it back again Unless the lonely star should fall Call the man Who deals in love beyond repair He can heal the world Of hearts in need of care Shine a light ahead When the next step is unclear Call the man Hes needed here Needed in the chaos and confusion From the plains to city hall Needed where the proud who walk the wire are set to fall Call the man Who deals in once upon a time Maybe he Can mend this broken heart of mine Shine a light ahead Now the future isn't clear Call the man Hes needed here Call the man Hes needed here Hes needed here Hes needed here Call the man Hes needed here Right here right now
