Forget Me Not

Forget me not

Baby baby As I rock you gently Right here in my arms I promise to always Be here for you Keep you safe and warm Sometimes in the middle of the night I wake up cryin when I think of how long It took to find you And now that I have I won't be movin' on Nothing can ever separate us We know where we belong All I'm asking you All I'm asking Before this moments gone Forget me not Don't forget what we got Every day is surely but a dream I found the sweetest of all things For all my life You'll be my light With every beat that's in your heart Oh baby please remember to Forget me not Time is funny Time can fly That's one thing for sure I'll wake tomorrow Blink my eyes See you standin' at that door And I'll be lookin at you See the wonder of what love can be Someday I might have to let you go And that's just so hard to believe And if I do you'll know just How much you mean to me And all I'll ask of you All I'll ask you Before I set you free Forget me not Don't forget what we got Every day is surely but a dream I found the sweetest of all things For all my life You'll be my light With every beat that's in your heart Oh baby please remember to Forget me not
