

# Halfway to Heaven

Celine Dion

Come and go with me  
Wherever I am I want you to be  
Walking with your hand in mine  
Feel so fine

When I'm close to you  
I know what it means to want to be true  
Never felt this way before  
Is there more

Are you feeling the same as me honestly  
Don't you think it's unreal  
I'm not dealing in fairy tales  
If this fails  
I don't know what on earth I will do 'cause I'm  
Halfway to heaven  
Let's go all the way  
I don't want to give it up  
'Cause I'm already falling in love

When we reach that place  
I'm dying to see the smile on your face  
I'm so sure you'll want to stay  
That's okay

I have so many dreams to share  
Please be there  
Let me share them with you  
If you're looking for happiness nothing less  
Come with me, baby I'm looking too and I'm  
Halfway to heaven  
Let's go all the way  
I don't want to give it up  
'Cause I'm already falling now  
Halfway to heaven  
Let's go all the way  
I don't want to give it up  
'Cause I'm already falling in love

I don't want to give my life in moderation (baby no)  
I'm prepared to give myself up to temptation it's time  
I could use a little love and inspiration (baby now)  
Come and share the joy and join the celebration  
It's time  
Hoping and praying that soon you'll be saying be mine

I don't want to give it up  
I don't want to give it up  
'Cause I'm already falling in love  
You're makin' all my senses come alive
