Have You Ever Been in Love

Celine Dion

Have you ever been in love You could touch the moonlight When your hearts shooting stars Youre holding heaven in your arms Have you ever been so in love

Have you ever walked on air Ever felt like you were dreamin When you never thought it could But it really feels that good Have you ever been so in love

Have you ever been in love
You could touch the moonlight
When your hearts shooting star
Youre holding heaven in your arms
Have you ever been in love, have you...

The time I spent
Waiting for something that was heaven-sent
When you find it don't let go,
I know

Have you ever said a prayer
And found that it was answered
All my hope has been restored
And I aint looking anymore
Have you ever been so in love, have you...

Some place that you aint leavin Somewhere you're gonna stay When you finally found the meanin Have you ever felt this way

The time I spent
Waiting for something that was heaven-sent
When you find it, don't let go,
I know...

Coz have you ever been so in love, so in love You could touch the moonlight You can even reach the stars Doesnt't't' matter near or far Have you ever been so in love

Have you ever been in love Have you ever been in love So in... love...
