## I Hate You Then I Love You

**Celine Dion** 

I'd like to run away from you But if I were to leave you I would die I'd like to break the chains you put around me And yet I'll never try No matter what you do you drive me crazv I'd rather be alone But then I know my life would be so empty As soon as you were gone Impossible to live with you But I could never live without you For whatever you do / For whatever you do I never, never, never Want to be in love with anyone but you You make me sad You make me strong You make me mad You make me long for you / You make me long for you You make me live You make me die You make me laugh You make me cry for you / You make me cry for you I hate you Then I love you Then I love you Then I hate you Then I love you more For whatever you do I never, never, never Want to be in love with anyone but you You treat me wrong You treat me right You let me be You make me fight with you / I could never live without you You make me high You bring me down You set me free You hold me bound to you I hate you Then I love you Then I love you Then I hate you Then I love you more / I love you more For whatever you do / For whatever you do I never, never, never Want to be in love with anyone but you

I never, never, never I never, never, never I never, never, never Want to be in love with anyone but you But you
