

I Love You

Celine Dion

I must be crazy now
Maybe I dream too much
But when I think of you
I long to feel your touch

To whisper in your ear
Words that are as old as time
Words only you would hear
If only you were mine

I wish I could go back to the very first day I saw you
Should've made my move when you looked in my eyes
Cause by now I know that you'd feel the way that I do
And I'd whisper these words as you'd lie here by my side

I love you, please say
You love me too, these three words
They could change our lives forever
And I promise you that we will always be together
Till the end of time

So today, I finally found the courage deep inside
Just to walk right up to your door
But my body couldn't move when I finally got to it
Just like a thousand times before

Then without a word he handed me this letter
Read I hope this finds the way into your heart, it said

I love you, please say
You love me too, these three words
They could change our lives forever
And I promise you that we will always be together
Till the end of time

Well maybe I, I need a little love yeah
And maybe I, I need a little care
And maybe I, maybe you, maybe you, maybe you
Oh you need somebody just to hold you
If you do, just reach out and I'll be there

I love you, please say
You love me too
Please say you love me too
Till the end of time
These three words
They could change our lives forever
And I promise you that we will always be together

Oh, I love you
Please say you love me too
Please please
Say you love me too
Till the end of time
My baby
Together, together, forever
Till the end of time

I love you
I will be your light
Shining bright
Shining through your eyes
My babe
