Love Is on the Way

Celine Dion

Waking up alone In a room that still reminds me My heart has got to learn to forget Starting on my own With every breath I'm getting stronger This is not the time for regret Cause I don't need to hang on to heartbreak When there's so much of life left to live

Love is on the way On wings of angels I know its true, I feel it coming through Love is on the way Time is turning the pages I don't know when But love will find me again

I am not afraid Of the mystery of tomorrow I have found the faith deep within There's a promise I have made There's a dream I'm gonna follow There's another chance to begin And it's coming as sure as the heavens I can feel it right here in my heart

Love is on the way On wings of angels I know its true, I feel it coming through Love is on the way Time is turning the pages I don't know when But love will find me again

(Oh I know, I know down deep down in my heart I know that...)

Love is on the way On wings of angels I know its true, I feel it coming through Love is on the way Time is turning the pages I don't know when But love will find me again

I don't know when But love will find me again
