I was walking dead Stuck inside my head I couldn't get out Turn the lights down The voices inside were so loud

Need a jump-start, catatonia I couldn't feel, I wish that I could disappear The voices inside were so real

But you stood by my side Night after night, night after night.

You loved me back to life, life From the coma.
The wait is over.
You loved me back to life, life From the coma.
We're lovers again tonight.

Back to life, back to life, back to life, back to life, yeah, yeah.

You woke me up, one touch and I felt alive You loved me back to life, Back to life, thought I died. The voices inside were so quiet.

But you stood by my side Night after night, night after night.

You loved me back to life, life From the coma.
The wait is over.
You loved me back to life, life From the coma.
We're lovers again tonight.

Strong hand, thick skin and an open heart You saw through the pain, saw through the mask You never gave up on me, yeah

Life, life
From the coma.
The wait is over.
You loved me back to life, life
From the coma.
We're lovers again tonight

Back to life, back to life, back to life Back to life, back to life Back to life, back to life, back to life Yeah, yeah...
