

# Nothing Broken But My Heart

Celine Dion

I've been over you for some time now baby  
I don't miss your kiss like before now anymore now  
If you asked me how I'm doin' I'm fine  
All I needed was a little time  
So if you still think that I still need you Baby  
I really don't know why  
Oh baby, since you left me  
You might think that my world's been torn apart  
But if you see me  
Baby you'll see that  
Nothing's broken, nothing broken but my heart

You won't find no tears in my eyes now baby  
If you think I'm sad that you're gone now  
Then you're wrong now  
If you ask I'll say I'm happy I'm free  
Tell you that's the way I wanna be  
And all those nights we shared together baby  
We'll they don't mean a thing

Oh baby since you left me  
You might think that my world's been torn apart  
But if you see me  
Baby you'll see that  
Nothing's broken, nothing broken but my heart

So if you still think that I need you baby  
I don't think about you  
I'm happy now without you

Oh baby, you might think my world's been torn apart Oh but you'  
ll see that  
Nothing's broken, nothing broken but my heart

Oh baby since you left me  
You might think that my world's been torn apart  
But if you see me  
Baby you'll see that  
Nothing's broken, nothing broken but my heart  
Nothing broken, nothing broken but my heart

Baby, you might thing my world's been torn apart  
But nothing's broken, nothing broken but my heart...
