

# Seduces Me

Celine Dion

Everything you are  
Everything you'll be  
Touches the current of love  
So deep in me  
Every sigh in the night  
Every tear that you cry  
Seduces me

All that I am  
All that I'll be  
Means nothing at all  
If you can't be with me  
Your most innocent kiss  
Or your sweetest caress  
Seduces me

I don't care about tomorrow  
I've given up on yesterday  
Here and now is all that matters  
Right here with you is where I'll stay

Everything in this world  
Every voice in the night  
Every little thing of beauty  
Comes shining thru in your eyes  
And all that is you becomes part of me too  
'Cause all you do seduces me

And if I should die tomorrow  
I'd go down with a smile on my face  
I thank God I've ever known you  
I fall down on my knees  
For all the love we've made

Every sigh in the night  
Every tear that you cry  
Seduces me seduces me  
All that you do .. Seduces me
