## What a Wonderful World

**Celine Dion** 

(Thank you...so very much! I would like... on behalf of all the dancers, the musicians, the singers, the technicians... people you didn't even see during the show tonight, who are part of this amazing family! I want you to know that we loved performing for you... I loved singing for you... you were a great audience! Thank you very much!)

I see trees of green... red roses too I see 'em bloom... for me and for you And I think to myself... what a wonderful world.

I see skies of blue... and clouds of white Bright blessed days.... warm sacred nights And I think to myself... what a wonderful world.

The colors of a rainbow... so pretty in the sky Are also on the faces... of people going by I see friends shaking hands....sayin'.. how do you do? They're really sayin'... I love you.

I hear babies cry... I watch them grow They'll learn much more... than I'll never know And I think to myself... what a wonderful world

Yes, I think to myself... what a wonderful world... oh yeah!
