

Where Is The Love

Celine Dion

G **Bm**
If ever a boy stood on the moon
C **Em**
All the heavens would call there angels round
C **Em** **D**
Stop the tears from troubled skies from falling
G **Bm**
If ever the river could whisper your name
C **Em**
Would the choices you make still be the same
C **Em**
Like a flower that dies from angry rain
Am D Notes: E slide F#Why do we hurt ourselves?
G **Em**
Where is the love
Bm **C**
That lets the sunlight in again
G **Em**
A love
Bm **C**
That see no color lines
G **Em**
Life that begins with love
Am **D**
So spread your wings and fly
Am **Em**
Guide your spirit safe and sheltered
Am **D** **G**
A thousand dreams that we can still believe
Am **Em**
The ancient souls can still discover
Am **D** **G**
A thousand dreams that we can still believe
Em
(Where is the love)
Bm
(Where is the love)
C
Ooo aah, that we can still believe
G
We can...
G, A, B, A, G, A, B, G, G, D, A, A, A, B, A, G, G
Em **Bm**
...still... believe
We can still believe
