

# Death

Cellar Darling

Time is just a means to an end  
Who are you to decide since it all comes down to me?  
I can end your suffering so  
Take my hand, I'll never let go

Here I am, I've come for you  
Look me in the eyes and tell me your name  
You and I will go away  
You have seen the sun rise for the last time

The circle of life gives all to you who must  
Relinquish for the circle of life

What for you is sorely brief is my everlasting chore  
Take my hand, I'll never let go

Here I am, I've come for you  
Look me in the eyes and tell me your name  
You and I will go away  
You have seen the sun rise for the last time

You and I, at the end of time  
You and I, step out of the light

You and I, at the end of time  
You and I, step out of the light  
You'll be mine  
You'll be mine

I can end your suffering so  
Take my hand, I'll never let go

Here I am, I've come for you  
Look me in the eyes and tell me your name  
You and I will go away  
You have seen the sun rise for the last time
