

Jericho

Celldweller

"I'm gonna kill everyone. It is time. Make sure they're all dead before you leave"

You build 'em up, you layer stone on stone
You build them high to keep out your enemies
The sky grows dark, the earth is trembling
An unhappy ending to your final fantasy

(When your walls fall like Jericho)

You feel so safe inside
The walls you fortified
Supremacy implied
Who dares to overthrow?
Arrogance justified
Self-importance amplified
It's down you go when your walls fall like Jericho

When your walls fall like Jericho
This is over
We'll all enjoy the show when your walls fall like Jericho

"In a grim new age of warfare, today's fighting men must be fought survival on the common battlefield"

10, 9, 8, 7, 6, 5, 4, 3, 2, 1

You're looking down, and feeling so profound
You're so impressed by your own false humility
The sky descends
The ground is rising up
An unhappy ending to your sense of deity

You feel so safe inside
The walls you fortified
Supremacy implied
Who dares to overthrow?
Arrogance justified
Self-importance amplified
It's down you go when your walls fall like Jericho

This is over, this is over
This is over
When your walls fall like Jericho

You feel so safe inside
The walls you fortified
It's down you go
When your walls fall like Jericho

"I don't want to hurt you"
"But if you try something else, I'll rip your face off!"
"I'm gonna kill everyone"

You feel so safe inside
The walls you fortified
Supremacy implied

Who dares to overthrow?
Arrogance justified
Self-importance amplified
It's down you go, we'll all enjoy the show
Can't wait to see you go when your walls fall like Jericho

"You don't threaten me"
(You are fragile!)

This is over, this is over
This is over, this is over

We'll all enjoy the show
G-G-G-Gotta go
Can't wait to see you go when your walls fall like Jericho

"I don't want to hurt you"
"But if you try something else, I'll rip your face off!"
"I'm gonna kill everyone"
"It is time, make sure they're all dead before you leave"
