Here I lie in a lost and lonely part of town Held in time In a world of tears I slowly drown Goin'home I just can't make it all alone I really should be holding you Holding you Loving you loving you Tragedy When the feeling's gone and you can't go on It's tragedy When the morning cries and you don't know why It's hard to bear With no-one to love you you're goin' nowhere Tragedy When you lose control and you got no soul It's tragedy When the morning cries and you don't know why It's hard to bear With no-one beside you you're goin' nowhere When the feeling's gone and you can't go on Night and day there's a burning down inside of me Burning love With a yearning that won't let me be Down I go and I just can't take it all alone I really should be holding you Holding you Loving you loving Tragedy When the feeling's gone and you can't go on It's tragedy When the morning cries and you don't know why It's hard to bear With no-one to love you you're goin' nowhere Tragedy When you lose control and you got no soul It's tragedy When the morning cries and you don't know why It's hard to bear With no-one beside you you're goin' nowhere Tragedy When the feeling's gone and you can't go on It's tragedy When the morning cries and you don't know why

It's hard to bear

With no-one to love you you're
goin' nowhere
Tragedy
When you lose control and you got no soul
It's tragedy
When the morning cries and you don't know why
It's hard to bear
With no-one beside you you're
goin' nowhere
