Come by the hills to the land where fancy is free And stand where the peaks meet the sky and the lochs meet the s

Where the rivers run clear and the bracken is gold in the sun And the cares of tomorrow can wait 'til this day is done

Come by the hills to the land where life is a song  $\mbox{\footnote{And}}$  stand where the birds fill the air with their joy all day 1 ong

Where the trees sway in time and even the wind sings in tune And the cares of tomorrow can wait 'til this day is done

Come by the hills to the land where legends remain
And the stories of old fill the heart and may yet come again
Where the past has been lost and the future is still to be won
And the cares of tomorrow can wait 'til this day is done
