Celtic Thunder

Another summer day Is come and gone away In Paris and Rome But I wanna go home Mmmmmmmm Maybe surrounded by A million people I Still feel all alone Just wanna go home I miss you, you know And I've been keeping all the letters that I wrote to you Each one a line or two 'I'm fine baby, how are you?' Well I would send them but I know that it's just not enough My words were cold and flat And you deserve more than that Another airplane Another sunny place I'm lucky I know But I wanna go home I've got to go home Let me go home I'm just too far from where you are I wanna come home And it feel just like I'm living someone else's life It's like I just stepped outside When everything was going right And I know just why you could not Come along with me Cause this was not your dream But you always believed in me Another winter day has come And gone away And even Paris and Rome I wanna go home Let me go home And I'm surrounded by A million people I Still feel alone Let go home I miss you, you know Let me go home I'm just too far from where you are I wanna come home Let me go home It'll all be all right I'll be home tonight I'm coming back home
