This Is The Moment

Celtic Thunder

This is the moment
This is the day
When I send all my doubts and demons
On their way

Every endeavor
I have made-ever
Is coming into play
Is here and now-today

This is the moment
This is the time
When the momentum and the moment
Are in rhyme

Give me this moment
This precious chance
I'll gather up my past
And make some sense at last

This is the moment When all I've done All of the dreaming Scheming and screaming Become one

This is the day
See it sparkle and shine
When all I've lived for
Becomes mine

For all of these years
I've faced the world alone
And now the time has come
To prove to them
I've made it on my own

This is the moment My final test Destiny beckoned I never reckoned Second best

I won't look down
I must not fall
This is the moment
The sweetest moment of them all

This is the moment Damn all the odds This day or never I'll sit forever With the gods

When I look back I will always recall Moment for moment This was the moment The greatest moment Of them all
