

Goodnight My Angel

Celtic Woman

Goodnight my angel.
Time to close your eyes.
And save these questions for another day.
I think I know what you've been asking me.
I think you know what I've been trying to say.
I promise I would never leave you.
And you should always know, I never will be far away.
Goodnight my angel, now it's time to sleep.
And still so many things I want to say.
Remember all the songs you sang for me.
When we went sailing on a emerald bay.
And like a boat out on the ocean.
I'm rocking you to sleep.
The water is dark and deep inside this mother's heart.
You'll always be a part of me.
Goodnight my angel, now it's time to dream.
And dream how wonderfull your life will be.
Some day a child may cry and if you sing this lullaby.
Then in your heart there will always be a part of me.
