There Must Be An Angel (Playing With My Heart)

Celtic Woman

No one on Earth could feel like this I'm thrown and overblown with bliss There must be an Angel Playing with my heart

I walk into an empty room And suddenly my heart goes boom It's an orchestra of Angels And they're playing with my heart, yeah

Must be talking to an Angel Must be talking to an Angel

No one on Earth could feel like this I'm thrown and overblown with bliss There must be an Angel Playing with my heart

And when I think that I'm alone It seems there's more of us at home It's a multitude of Angels And they're playing with my heart

Must be talking to an Angel Must be talking to an Angel

I must be hallucinating Watching Angels celebrating Could this be reactivating All my senses dislocating This must be a strange deception By celestial intervention Leaving me the recollection Of your heavenly connection

Must be talking to an Angel Must be talking to an Angel

I walk into an empty room And suddenly my heart goes boom It's an orchestra of Angels They're playing with my heart

Must be talking to an Angel Must be talking to an Angel
