

Walk Beside Me

Celtic Woman

A child begins with one single step
Then walks a million miles
And though these wings are not ready yet
I will try to fly

My eyes can't see
My arms can't reach
I need strength when I'm weak
I need your faith in me

Don't walk in front of me
I was not born to follow
Don't walk behind me
We were all born to lead
Don't walk without me
I might need you tomorrow
Walk right beside me
Be the real friend I need

If you bring small stones, one at a time
You will move that whole mountain
If you climb each rainbow, its gold that you'll find
And shelter from the rain

My ears can't hear
My heart can't beat
I need strength when I'm weak
I need your faith in me

Don't walk in front of me
I was not born to follow
Don't walk behind me
We were all born to lead
Don't walk without me
I might need you tomorrow
Walk right beside me
Be the real friend I need

Don't walk in front of me
I was not born to follow
Don't walk behind me
We were all born to lead
Don't walk without me
I might need you tomorrow
Walk right beside me
Be the real friend I need
Walk right beside me
Be the real friend I need
