

Bloodraze

Centinex

Anxious desire
Pressing wish
Similiar dream
Every night

Bloodraze
Savage extrication
Bloodraze
Humans drowning
in their own blood

Everything dies
Eradication
All at once
Bloodsoaked raze
Everything black
Turned into zero
Silence settles
Rebirth impossible

Bloodraze
Savage extrication
Bloodraze
Humans drowning
in their own blood

Entire species
Put to sleep
All at once
Closing in bloodshed
Human bodies
Melt away
Sludge scatters
Rebirth impossible

Bloodraze
Savage extrication
Bloodraze
Humans drowning
in their own blood

Bloodraze
Savage extrication
Bloodraze
Humans drowning
in their own blood
