

I'll travel overseas just to find her  
Girl I know you a freak tryna find some  
I was looking on Tinder to find out  
They just wanna see me trapped up in a trap house

Eh, so I jugg, jugg, jugg, jugg, jugg you know  
She want good, good, good, good, wood you know  
In the hood looking good as you should you know  
No gym but the weight get pushed you know

Yeah I jugg, jugg, jugg, jugg, jugg you know  
She want good, good, good, good, wood you know  
In the hood looking good as you should you know  
No gym but the weight get pushed you know

You see I wouldn't look down on you less you're going down on it  
Pretty little face let me try an' put a smile on it  
Drip, no crystals, VV diamonds  
Classy in public, freaky in private  
Freaky, but she's not easy, nobody's ran through  
Cheating, no not even, I don't plan to  
AP, bring a friend, I'm gonna bring my mans through  
If I said "I'll be there" I won't fall through  
Long journeys I'll talk to you if you want to  
You don't have to worry about who I fucked before you  
Help you fight your demons but they come back tryna haunt you  
Hit me up whenever, if I'm up I won't ignore you  
It would break my heart if you started to move unloyal  
Went and gave it up you're doing all the stuff I taught you  
Only time I'm lying (when I'm lying in the courtroom)  
OG trips when I'm back I'm due to spoil you

So I jugg, jugg, jugg, jugg, jugg you know  
She want good, good, good, good, wood you know  
In the hood looking good as you should you know  
No gym but the weight get pushed you know

Yeah I jugg, jugg, jugg, jugg, jugg you know  
She want good, good, good, good, wood you know  
In the hood looking good as you should you know  
No gym but the weight get pushed you know

Bum that's too big, how you fit in them jeans?  
I was OT then I came back to my baby, drive me crazy  
When I see you on IG, I need you for me  
That's facts no caps, I ain't being corny  
When she bruck, bend it back, swear she make me horny  
Bruck, bruck, bend it back, and she make me horny  
Eh, Eh, tell me what its gon' be, eh eh

I say, are you gonna suck it, that's first of all  
Am I gonna cuff it, that's furthermore  
The mandem in your DM, will you curve them all?  
Every bitty in town, I'll serve them all  
Let me smash, no verbal  
Tip on a tuesday, lives on a wednesday  
Figure your own way, fuck what your friends say

If you're not talking bout the money, no comprende

So I jugg, jugg, jugg, jugg, jugg you know  
She want good, good, good, good, wood you know  
In the hood looking good as you should you know  
No gym but the weight get pushed you know

Yeah I jugg, jugg, jugg, jugg, jugg you know  
She want good, good, good, good, wood you know  
In the hood looking good as you should you know  
No gym but the weight get pushed you know

(So I jugg, jugg, jugg, jugg, jugg you know  
She want good, good, good, good, wood you know  
In the hood looking good as you should you know  
No gym but the weight get pushed you know

So I jugg, jugg, jugg, jugg, jugg you know  
She want good, good, good, good, wood you know  
In the hood looking good as you should you know  
No gym but the weight get pushed you know.)

So I jugg, jugg, jugg, jugg, jugg you know  
She want good, good, good, good, wood you know  
In the hood looking good as you should you know  
No gym but the weight get pushed you know

Yeah I jugg, jugg, jugg, jugg, jugg you know  
She want good, good, good, good, wood you know  
In the hood looking good as you should you know  
No gym but the weight get pushed you know

So I jugg, jugg, jugg, jugg, jugg you know  
She want good, good, good, good, wood you know  
In the hood looking good as you should you know
