

Sidechick

Central Cee

Tryna get you out your clothes
Make it so nobody knows
You gon' learn a lot from this
You gon' take a lot of shit
Too many women know my name
Guess it's just part of the game
Baby I just want a bit
It's going down when I'm lit
We ended up on the carpet
Ah shit, love the way you put it on me when I walk in
Talking so dirty baby yh
Back it up when you work it baby yh

Crazy when we get up in the bed tho
Maybe you can make a little mess though
You got me thinking your better then my

Sidechick, sidechick
My dm yeah she slide in, she slide in
She in her feelings she can't hide it, hide it
You know I love my sidechick my sidechick

Babe let's roll & smoke a blunt
Imma get you drunk
This ain't a place for love
This ain't a place for love
She make me forget all my problems, phenomenal
I'm Dodging them obstacles
- for your loving I'm not ready
Truth cuts deep like machete

You keep asking when we're going out for dinner, sorry baby that's a no no
All these females always acting inner always tryna get a fucking photo

Who I'm withs none of your business
I told you no public appearances

I told you I just wanna beat
Couple buds & Hennessy

Tell me what I gotta say now
Spending crazy check my PayPal
Fucking bitches yea I'm fucking bitches check my cv b I lay it down

Crazy when we get up in the bed tho
Maybe you can make a little mess though
You got me thinking your better then my

Sidechick, sidechick
My dm yeah she slide in, she slide in
She in her feelings she can't hide it, hide it
You know I love my sidechick my sidechick

Babe let's roll & smoke a blunt
Imma get you drunk
This ain't a place for love
This ain't a place for love

She make me forget all my problems, phenomenal
I'm Dodging them obstacles
For your loving I'm not ready
Truth cuts deep like machete

Right girl but the wrong time but
But You know I love you long time no
No sharing your all mine
If another brother try it then it's on-sight yea

My Sidechick, sidechick
My dm yeah she slide in, she slide in
She in her feelings she can't hide it, hide it
