

## Strung out on Viagra

Cephalic Carnage

They say that smoking weed is bad for you  
I'd rather smoke a joint, than do a shot or two  
I get all stoned, and get some poo  
Who needs Viagra when you got weed?  
It's really quite simple  
A quarter of weed is fifty times cheaper than Viagra  
Ingesting pot gets you in the mood  
In a few minutes you'll be hitting the sheets  
On Viagra, you'll have to wait an hour  
By then I'll be asleep farting, next to my woman,
