

Dumbstruck

Ceraadi

The way you make me feel, let me keep it real, uh
I can't explain it, but it's a big deal, uh
You my mood, you my Southern comfort food
You the type of guy beside I got a crush on you
Real poetic, I wanna flow with you
Your eyes are lost, but found myself in you
The best part like a interlude
I'm too tongue-tied, too tied up, you so, ooh

Don't know how you do it
Got me acting stupid
What planet are you from?
Hope you are the one, yeah, yeah
I'm tongue-tied, twisted, tangled
This feeling got me angled, yeah
I'm tryna find the words to say to you, oh, yeah

I'm dumbstruck when I hear your name
Dumbstruck, you drive me insane
So dumbstruck, there's nothing I'd change
About you, 'bout you, baby
I'm into you, hope you diggin' me, too
Into you, but I'm playin' it cool
So into you, what you gonna do?
'Cause I'm into you

If you don't mind, I'd like to spit some game
On how you make me feel, woo, each and every way
You my cool breeze when I'm feelin' hot
You intense like a game shot, givin' all I got
Your voice so soothing, I'm cruisin'
Feels like all Ws with you, I'm never losin'
And if anyone asks or saw me if I get to choosin'
Excuse me if I'm soundin' foolish, but

Don't know how you do it
Got me acting stupid
What planet are you from?
Hope you are the one, yeah, yeah
I'm tongue-tied, twisted, tangled
This feeling got me angled, yeah
I'm tryna find the words to say to you, oh, yeah

I'm dumbstruck when I hear your name
Dumbstruck, you drive me insane
So dumbstruck, there's nothing I'd change
About you, 'bout you, baby
I'm into you, hope you diggin' me, too
Into you, but I'm playin' it cool
So into you, what you gonna do?
'Cause I'm into you

And you got me like oh
Oh-whoa (Oh)
Oh, oh-whoa
Oh, oh-whoa
You, you got me like

Oh, oh-whoa
Oh-whoa
(Your voice so soothing, I'm cruisin')
Oh, oh-whoa
(Feels like all Ws with you, never losin')
You got me dumbstruck
(Your voice so soothing, I'm cruisin')
Oh, oh-whoa
(Feels like all Ws with you, never losin')
You got me dumbstruck
(Your voice so soothing, I'm cruisin')
Oh, oh-whoa
(Feels like all Ws with you, never losin')
You got me dumbstruck
(Your voice so soothing, I'm cruisin')
Oh, oh-whoa
(Feels like all Ws with you, never losin')
You got me dumbstruck
(Your voice so soothing, I'm cruisin')
Oh, oh-whoa
(Feels like all Ws with you, never losin')
You got me dumbstruck
