

Fa La La

Ceraadi

Take your time
You gone need it
Been waiting for this season
Summer, spring, fall, yeah
Winter break me off, yeah
Fa la la la la la
Do it, babe

We gone dasher to the bed
I'm a dancer wit no pole
Prance your fingers through my hair
I'm vixen play that role

I'm that gift you've been waiting
Just unwrap won't take too long
It's a movie in the bedroom
Made your flight no home alone

Ask me what I want this year
You can be Santa play along, aw yeah
Aw yeah, aw yeah yeah yeah
I want the Christian mink
All that shit
Cuban links
Buy that bitch
Park the new car outside, hope you can drive
Cause I'm bout to ride that shit

Take your time
You gone need it
Been waiting for this season
Summer, spring, fall, yeah
Winter break me off, yeah
Fa la la la la la
Do it, babe

Take your time
You gone need it
Been waiting for this season
Summer, spring, fall, yeah
Winter break me off, yeah
Fa la la la la la
Do it, babe

Run me my gifts
Buy me a whip
Take me on trips
Black sands
New fits
Run me that shit
Gimme a tip
Take me on trips
Black sands
Private

I know it's snowin outside but you makin it rain in this bitch
I never trip, when taking trips... France, French tips, cold bitch

Iced nice wrists-frost bite tip
Never ask the price cuz I'm priceless

Ask me what I want this year
You can be Santa play along aw yeah
Aw yeah, aw yeah yeah yeah
I want the Christian mink
All that shit
Cuban links
Buy that bitch
Park the new car outside, hope you can drive
Cause I'm bout to ride that shit

Take your time
You gone need it
Been waiting for this season
Summer, spring, fall, yeah
Winter break me off, yeah
Fa la la la la la
Do it, babe

Take your time
You gone need it
Been waiting for this season
Summer, spring, fall, yeah
Winter break me off, yeah
Fa la la la la la
Do it, babe...

All that shit
Buy that bitch
Park the new car outside
Hope you can drive
Cause I'm bout to ride that shit
