Loyal

Ceraadi

Don't try to rock the boat (Don't try)
Baby, just hold me close (Oh, yeah)
I'ma be callin' you
When it's a time in need
Don't try to rock the boat (Oh yeah, yeah)
Baby just hold me close (Oh yeah, yeah)
I'ma be callin' you
When it's a time in need

I'll be loyal to you, you, you-you-you
You, you, you, you, you
You, you, you-you-you
If you are loyal to me
I'll be loyal to you, you, you-you-you
You, you, you, you, you
You, you, you-you-you
If you are loyal to me, I'll be loyal to you

We do, we do all this back and forth an-
I know what I'm wantin'
You're the one that's frontin', yeah
You know, you know
I'll be on my way, yeah
I'll go out my way, yeah
'Cause I'm here to stay yeah

Whatever you need, I got it
I'm gonna be about it
If you're loyal to me I'll come through
To hold it down, too
Whatever you need, I got it
I'm gonna be about it
If you're loyal to me I'll come through
To hold it down, too

I'll be loyal to you, you, you-you-you
You, you, you, you, you
You, you, you-you-you
If you are loyal to me
I'll be loyal to you, you, you-you-you
You, you, you, you, you
You, you, you-you-you
If you are loyal to me, I'll be loyal to you (Uh, yeah, listen)

If loyalty was rewritten would it be us?
Ridin' side by side no questions 'cause it's all trust
You can keep ya phone right side up
'Cause you doin' right by us
You would claim me as your girl and you is my world
'Cause who else gonna make you smile that?
Take you out, show you off like that?
Drop the price, yeah, you know I got that
Loyalty? Yeah, I'm bout that
Our love is so real, for real, so let's keep that

Don't try to rock the boat (Don't try)
Baby, just hold me close (Oh, yeah)

I'ma be callin' you
When it's a time in need
Don't try to rock the boat (Oh yeah, yeah)
Baby just hold me close (Oh yeah, yeah)
I'ma be callin' you
When it's a time in need

I'll be loyal to you, you, you-you-you
You, you, you, you, you
You, you, you-you-you
If you are loyal to me
I'll be loyal to you, you, you-you-you
You, you, you, you, you
You, you, you-you-you
If you are loyal to me, I'll be loyal to you (Uh, yeah, listen)

Whatever you need, I got it
I'm gonna be about it
If you're loyal to me I'll come through
To hold it down, too
Whatever you need, I got it
I'm gonna be about it
If you're loyal to me I'll come through
To hold it down, too
