

# No Guidance

Ceraadi

(Before I die I'm tryna fuck you, baby  
Hopefully we don't have no babies  
I don't even wanna go back home, yea)

Tell me baby, why you look like that, walk like that, talk like that  
You movin' different so push me back  
And you want me back but you hurt me bad, yea  
I just wanna be your baby  
We ain't even gotta do nothin' crazy  
I don't even wanna go back home  
You switch it up and then you leave me alone, yea

Now we super distant  
You had gave me the ticket and with a smooth admission  
But can you stand the rain like you a New Edition?  
Boy, I slide to ya hood, show you my good intention (ha!)  
Your mixed emotions got me fallin' back  
Stayin' focused so I get to the bag, yea  
Stay on track  
Can't let another brotha do that  
Can't be out here lookin' foolish  
Might get on somethin' ruthless  
Oh, I like it from the back, go dumb or go stupid  
But you like the way I do that, yea

I don't wanna play your games, play your games  
You know commitment really ain't your thing  
You only want me when you want me babe  
It's okay 'cause baby

You had me boy, you had me boy  
You had me boy, you had me...

Uh, woah  
Yea you had me, I thought you was the truth  
Until I found out you was 'nother one them goofs  
You was always playin', ha, now that is some truth  
Now you got me spillin' feelings all up in the booth, like oh  
Man I thought I was so lucky  
But you had different plans  
Had me lookin' like a dummy  
Jugglin' other chicks had me runnin' looking funny  
Yet you steady tryna creep and get back in the honey, how funny (yea)  
It's too late, yea, my heart's turned cold (oof)  
I moved on, now once was is gone (yee!)  
Best of luck, 'cause truth be told  
Ain't nobody like me, I'm the truth, I'm gold (uh)  
And if you think you had one up  
I already had the two up while my next thing ready tryna pull up (uh)  
We could've been on some real love  
Now you get to sit back sayin' shoulda, coulda, would of, would of

I don't wanna play your games, play your games  
You know commitment really ain't your thing  
You only want me when you want me babe  
It's okay 'cause baby

You had me boy, you had me boy  
You had me boy, you had me...
