

Ayo!
What's happenin'?
We gon' need the ladies front and center
Let's go!

If you a bad chick, lemme hear ya say, yeah
Little booty, big booty, don't care, yeah
You got your own car or your own crib, yeah
He steady callin', but you leave him on read

Just sway wit' it (Sway wit' it), sway wit' it (Sway wit' it)
Kinda geeked up, sway wit' it (Sway wit' it)
You see him look, girl, sway wit' it (Sway wit' it)
Sway wit' it (Sway wit' it), sway wit' it (Sway wit' it)

Met a dude named West, said he checkin' for the best
Take a look around, I ain't nothin' like the rest
He about six-two and he like my attitude
Doin' all the sweet talk, but I ain't tryna get with you
Now watch me back-back-back it up like a Chevy truck
Nails done, furry slides got 'em runnin' up
Big bamboos, baby has got 'em on lock
All my girls gassin' me, sayin' lie, like, what?

If you a bad chick, lemme hear ya say, yeah
Little booty, big booty, don't care, yeah
You got your own car or your own crib, yeah
He steady callin', but you leave him on read

Just sway wit' it (Sway wit' it), sway wit' it (Sway wit' it)
Kinda geeked up, sway wit' it (Sway wit' it)
You see him look, girl, sway wit' it (Sway wit' it)
Sway wit' it (Sway wit' it), sway wit' it (Sway wit' it)

Homie lookin' like he kinda tired
Baby, this ain't that kinda night
I just came for the good time
Ooh, this shakin' the good vibes
I got my hair done, nails done, everything did
Homie still tryna take me back to his crib
Boy, bye, haha, you thought
Ah, hahaha...

If you a bad chick, lemme hear ya say, yeah
Little booty, big booty, don't care, yeah
You got your own car or your own crib, yeah
He steady callin', but you leave him on read

Just sway wit' it (Sway wit' it), sway wit' it (Sway wit' it)
Kinda geeked up, sway wit' it (Sway wit' it)
You see him look, girl, sway wit' it (Sway wit' it)
Sway wit' it (Sway wit' it), sway wit' it (Sway wit' it)
Just sway wit' it (Sway wit' it), sway wit' it (Sway wit' it)
Kinda geeked up, sway wit' it (Sway wit' it)
You see him look, girl, sway wit' it (Sway wit' it)
