

# That's What She'd Say

Ceraadi

Oh, oh, oh, oh

Does she make you happy?  
Does she treat you like I do?

Guess you was never mine and that's all bad  
It was cute though like a love note  
Now it's ripped, though, as far as my heart, yo

I'm jokin'  
I don't need you  
You cute, though
