I mean you got the new J's or whatever
Diamonds in your little chain or whatever
Yeah you got a little game or whatever
But nah nah boy I ain't wit whatever
I mean you cute or whatever
You a boss makin moves or whatever
But nah nah boy I wit whatever
And if you can't get with that
Psssh whatever

Tell me, tell me what you really on
Gone lemme know
Just gone lemme know
Gone, gone, gone lemme know
If I'm right bout what you really want, want
You might as well let it go
You might as well let it go
You might as well let it go
I've been watchin your eyes, they all on me, baby
I think you need to slow down
Got my friends in my ear like he fine girl you crazy
But still it ain't bout to go down
No cause I ain't like these other girls at all
Don't know what you thought it was, but you gone have to show me more, way more

I mean you got the new J's or whatever
Diamonds in your little chain or whatever
Yeah you got a little game or whatever
But nah nah boy I ain't wit whatever
I mean you cute or whatever
You a boss makin moves or whatever
But nah nah boy I wit whatever
And if you can't get with that
Psssh whatever

Hol' up, hol' up, why you puttin on babe?
You actin like I'm everything you want babe
I know your type and it won't last long babe
I let you in and you start doin' wrong babe
And I rather be alone
Before you have me out here lookin' foolish
Thinkin' we exclusive
Gave you what you wanted then on to a new chick
Yeah
I've been watchin your eyes, they all on me, baby
I think you need to slow down
Got my friends in my ear like he fine girl you crazy
But still it ain't bout to go down
No cause I ain't like these other girls at all

Wassup wassup
You betta act right
Got the fresh fits and ya swag right
Got a nice whip
And ya bank nice
You gone need a lot more to keep me enticed
So tell me tell me baby whats the situation
Nah I ain't wit the extra
Take it back to the basics
Cause Netflix and chill man it's so overrated
If you really want me better treat me like a lady

I mean you got the new J's or whatever
Diamonds in your little chain or whatever
Yeah you got a little game or whatever
But nah nah boy I ain't wit whatever
I mean you cute or whatever
You a boss makin moves or whatever
