### Ceremony

This promise you made is hollow is cold  
I am the liar (civilian boy)  
Leaving a trail of soft ridicule  
I am the liar (civilian boy)  
I sleep with women I don't deserve  
Wretched  
Unstable  
Vulnerable  
Figments I become are unrelenting  
Void in compassion  
Premonitory  
My satisfaction  
Selfish reward  
Loving another is more difficult  
Stealing and cheating and being a mess  
Child in nature: so trapped
