

# Vanity Spawned By Fear

Ceremony

Crushed down in me  
Moves through me now  
Like currency, yeah currency  
Can you see it in me?  
It cuts down on me  
Burrows its teeth in me  
But it belongs to me  
The one thing that belongs to me  
It stakes out  
Stalks before you believe it's there  
Oh no, you know  
You can't go anywhere  
You can't go anywhere  
You can't go anywhere without vanity spawned by fear  
Vanity spawned by fear  
Vanity spawned by fear, yeah  
Vanity spawned by fear, yeah  
Vanity, vanity

A terrible place  
Move away, no no  
Couldn't leave, no, couldn't leave  
Born into this state  
I can't go away  
In love with a feeling of it, oh no  
Stuck and afraid  
Can you hear me?  
I can't go, no, it digs  
You couldn't understand  
Oh no, you don't know me  
You can't go anywhere  
You can't go anywhere  
You can't go anywhere without vanity spawned by fear  
Vanity spawned by fear  
Vanity spawned by fear, yeah  
Vanity spawned by fear, yeah  
Vanity spawned by fear

(Vanity spawned by fear)  
(Yeah)  
(Vanity spawned by fear)  
(Vanity, vanity)  
(Vanity spawned by fear)

Vanity spawned by fear  
Vanity spawned by fear  
Vanity spawned by fear, yeah  
Vanity spawned by fear, oh  
Vanity, vanity
