

Hey Hello

Cha Eun Woo

You, ooh, ooh
You, ooh, ooh
You, ooh, ooh

We all need somebody
We all want someone to hold
For when we feel lonely
And no place feels like home
We go out the same nights
Without no one really knowing why
We all need somebody

But I don't know where to go
Without you by my side
Oh, I

I said "Hey, hello"
Have you ever been to Rio
To Jamaica or Tokyo
Had drinks in Malibu?
I said "Hey, hello"
We could see the Mona Lisa
Fly to Rome and try the pizza
Oh anywhere will do
Yeah anywhere is cool
If that means you

You, ooh, ooh
You, ooh, ooh
You, ooh, ooh
Yeah anywhere is cool
If that means you

Be my Valentine
Come dance to the city lights
The man along the river bank
He plays your favorite song
Take me by the hand and don't let it go
Tell me everything oh I wanna know
Yeah, I might be crazy but I can't be
Without you

'Cause I don't know where to go
Without you by my side
Oh, I

I said "Hey, hello"
Have you ever been to Rio
To Jamaica or Tokyo
Had drinks in Malibu?
I said "Hey, hello"
We could see the Mona Lisa
Fly to Rome and try the pizza
Oh anywhere will do
Yeah anywhere is cool
If that means you

You, ooh, ooh
You, ooh, ooh
You, ooh, ooh
Yeah anywhere is cool
If that means you
You, ooh, ooh
You, ooh, ooh
You, ooh, ooh
Yeah anywhere is cool
If that means you

Stay right there
Stay with me tonight
Stay right there
I need you by my side
Stay right there
Stay with me tonight
Stay right there
You got me going like

"Hey, hello"
Have you ever been to Rio
To Jamaica or Tokyo
Had drinks in Malibu?
I said "Hey, hello"
We could see the Mona Lisa
Fly to Rome and try the pizza
Oh anywhere will do
Yeah anywhere is cool
If that means you

You, ooh, ooh
You, ooh, ooh
You, ooh, ooh
Yeah anywhere is cool
If that means you
You, ooh, ooh
You, ooh, ooh
You, ooh, ooh
Yeah anywhere is cool
If that means you
