She moved into my old apartment
That's how we got this whole thing started
She called and said that I had mail
Waiting there for me

I told her that I'd come and get it How could I know in just a minute That I'd be standing face to face With my own destiny

Ooh, and we sat there talking just like we were old friends Ohh, then I asked her, "Can I see you again?"

She said, "Yes", and I said, "Wow "
And she said, "When", and I said, "How about right now?"
Love can't wait, then I asked if she believed in fate
And she said, "Yes"

The days flew by just like a fast train And nothing else has been on my brain Except the thought of how she makes me The man I want to be

She's the one I want for a million reasons Loving her is just like breathing It's easy and it's obvious She was made for me

Ohh, then it happened one night, looking in her eyes Ohh, when I popped the question, much to my surprise

She said, "Yes", and I said, "Wow "
And she said, "When", and I said, "How about right now?"
Love can't wait, then I asked if she believed in fate
And she said, "Yes"

So we called the preacher family and friends And nothings been the same since

She said, "Yes", and I said, "Wow "
And she said, "When", and I said, "How about right now?"
Love can't wait, then I asked if she believed in fate
And she said, "Yes", she said, "Yes"
