

Fallin' Over You

Chad Brownlee

Love, love, so overused and underrated
Tossed 'round, without a second thought
You make me feel like the world stopped turning
Sometimes you gotta just let go, ready or not

Woah-oh-oh
Baby, I'm fallin', fallin', fallin'
Woah-oh-oh
Feels like I'm jumpin' on the moon
Woah-oh-oh
Whatever you call it, call it, call it
Feels like I'm flyin'
Fallin' over you

I pushed, pulled, even tried to force it
But love has a mind of its own
I thought I could rise up above it
Baby, when you're this high
There's only one way to go

Woah-oh-oh
Baby, I'm fallin', fallin', fallin'
Woah-oh-oh
Feels like I'm jumpin' on the moon
Woah-oh-oh
Whatever you call it, call it, call it
Feels like I'm flyin'
Fallin' over you

Every time I see you
I throw away the parachute
There's no fear in fallin' over you

Woah-oh-oh
Baby, I'm fallin'

Woah-oh-oh
Baby, I'm fallin', fallin', fallin'
Woah-oh-oh
Feels like I'm jumpin' on the moon
Woah-oh-oh
Whatever you call it, call it, call it
Feels like I'm flyin'
Oh yeah, it feels like I'm flyin'
Fallin' over you
Woah-oh-oh
Fallin' over you
Woah-oh-oh
