

# Love Me Or Leave Me

Chad Brownlee

Some days we're as good as it gets  
Some days all the pieces fit  
Sometimes there's a fire in your kiss  
Some days you're an inch from good-bye  
And you get that look in your eye when you just want a reason to quit

When somebody hurts you baby  
Don't make me pay the price

Black or white  
Day or night  
Yes or no  
I'll make it easy  
Love me or leave me  
Come on

I don't care who he was, this is us  
If you really want me I'll make it easy  
Love me or leave  
Love me or leave

I don't wanna be all the way in  
If you're gunna be half way out  
I want your everything now  
'Cause I'm gunna be all that you need  
Ain't nobody gunna love you like me  
I ain't gunna let you down

You've gotta choice to make

Black or white  
Day or night  
Yes or no  
I'll make it easy  
Love me or leave me  
Come on

I don't care who he was, this is us  
If you really want me I'll make it easy  
Love me or leave  
Love me or leave

I'm not gunna hurt ya baby  
I'm gunna treat ya right

Black or white  
Day or night  
Yes or no  
I'll make it easy  
Love me or leave me  
Come on

I don't care who he was, this is us  
If you really want me I'll make it easy  
Love me or leave  
Love me or leave  
Yeah-hey-yeah
