

# Don't Cha Know

Chaka Khan

(Come on, now  
Come on-come on n..  
Come on now, come on-come on now, listen)

I got my own thing...

How'd it make me feel? Makes me feel good, I wanna say this to  
you

Don't ya know about me?...

D-don't ya know about me?...

How'd it make me feel? Makes me feel good...

I got my own thing...

Come on, now  
B-b-b-baby, it's outta control

Yeah, outta control  
Baby, it's outta control

(Come on, now  
Come on-come on n..  
Come on now, come on-come on now, listen)

Don't ya know about me?  
I got my own thing...

Oh, oh, oh...
