

# Keep Givin' Me Lovin'

Chaka Khan

Lovin', lovin'  
(Ahh, baby)  
Keep givin' me lovin', lovin', your lovin', lovin'  
(Yeah, alright)

Time after time, I've pondered this love that I'm feelin'  
I'm feeling so divine, it must be a crime, don't take it away, no  
More than a few told me, "I love you", now, I know better  
'Cause when it got down to you somehow I knew  
My number was up for some sweet, sweet lovin'

Keep givin' me lovin', lovin', your lovin', lovin'  
(Ooh yeah)  
Keep givin' me lovin', lovin', your lovin', lovin'  
(Ooh yeah)

You've captured this girl, rockin' my world ya got me reelin'  
Ain't no future with another you're my one and only lover  
Now, come on and stay, more than a few told me, "I love you"  
Now, I know better, yes I do  
'Cause when it got down to you somehow I knew  
My number was up for some sweet, sweet lovin'

Keep givin' me lovin', lovin', lovin', lovin'  
(Ooh yeah, baby won't you give me?)  
(Yeah, baby won't you give me?)  
I'm takin' 'bout lovin', lovin', your lovin', lovin'  
(Ooh yeah, baby, baby give me)

(Is it any wonder)  
I can love you so  
Only you can satisfy my need  
(Can't you see my hunger?)  
Won't let you go  
Baby, you belong to me, just to me, oh

Keep givin' me lovin', lovin', your lovin', lovin'  
I'm takin' 'bout lovin', lovin', your lovin', lovin'  
Keep givin' me lovin', lovin', your lovin', lovin'  
(Is it any wonder ...)  
I'm takin' 'bout lovin', lovin', your lovin', lovin'

Keep on givin' me, keep on givin' me  
Keep on givin' me, keep on givin' me  
Keep on givin' me, keep on givin' me  
Keep on givin' me
